MAKING LIVES BLOSSOM

Navneet Foundation continues its transformative journey, transitioning from the remarkable task of rebuilding to fostering a magnificent atmosphere where lives are not simply sustained but can genuinely flourish and thrive. With our unwavering commitment, we cultivate the ideal conditions for individuals to unleash their hidden potential and embrace a life that blossoms with vitality, purpose and fulfilment. Just as nature beautifully blossoms after a period of rejuvenation, Navneet Foundation aspires to create an environment that nurtures and empowers every individual, enabling them to unfurl their aspirations and dreams. Through strategic interventions and initiatives, we provide comprehensive support systems, innovative educational programmes, skill development opportunities and community engagement platforms that fuel personal growth and ignite the spark of inspiration.

Our holistic approach cultivates a garden of possibilities, where seeds of talent are sown, nourished with knowledge and watered with compassion. The result is a vibrant tapestry of lives, each distinct and unique, but united in their ability to thrive and make a positive impact in their communities and beyond.

As we embrace the spirit of "Making Lives Blossom," Navneet Foundation not only envisions a world where individuals are empowered to reach their fullest potential but also aims to inspire others to join this movement of growth and transformation. Together, we can create a flourishing society where every life blossoms with endless possibilities, creating a ripple effect of change that extends far into the future.

LETTER FROM THE BOARD OF TRUSTEES

Over the past year, an extraordinary journey has unfolded, characterised by unwavering determination, profound commitment and the harmonious synergy of collective efforts. Amidst a backdrop of challenges, we have been privileged to witness the continual evolution and advancement of our institution. Each step taken serves as a testament to our resilience, and it is with genuine satisfaction that we unveil the Annual Report for the year 2022-23. Throughout this period, our focus was devoted to addressing the needs of the less privileged, a noble pursuit deeply ingrained in our values. The report stands as a testament to the profound dedication of our educators, the contagious enthusiasm of our students, and the unwavering support of our staff. Together, we have broadened the horizons of excellence and embraced innovative educational approaches. At the heart of these accomplishments lies our steadfast dedication and unwavering fervour. As we continue on our journey towards excellence, our commitment remains resolute in nurturing inquisitive minds, fostering empathy, igniting innovation, and extending our efforts to tangibly impact our broader society. With renewed determination, let us stride forward believing that education transcends mere knowledge dissemination and ignites a spark that propels an unending pursuit of growth and comprehension. The legacy of our institution is woven from the aspirations of countless individuals who dared to dream, learn and catalyse transformative change in the world around them.

ABOUT NAVNEET FOUNDATION

Navneet Foundation has formalised the efforts of six decades of commitment towards the well-being of our society through various developmental activities. With a core focus on Education, Health and Medical care, Community Development, Environmental Development, Animal Welfare, Disaster Management and more, we have strived to create a positive impact. At Navneet Foundation, we have made a difference by assisting the communities in their all-round development and enhancing opportunities for the growth of the marginalised.

Vision

To ignite a movement that is dedicated to the sustainable development of the society through empowerment of individuals and communities.

Mission

Navneet Foundation reaches out to the underprivileged in society to empower and lead them to sustainable development. This is done by enabling them to participate in growth and positive change for their development. Enhanced opportunities to create impact is possible through resource building and accessibility, skill and knowledge development, and intervention by local communities.

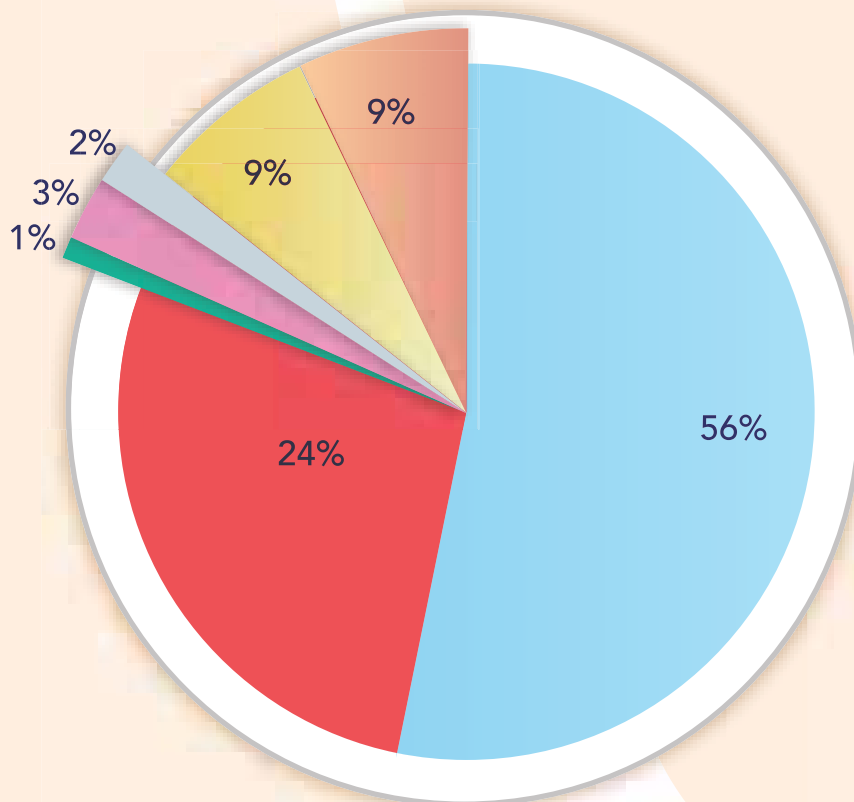

Values

Key values we hold are participation, learning, growth, and collaboration. These values are embodied in our endeavours, making Navneet Foundation a class apart.

EDUCATION

Navneet Foundation opens doors to quality education for children.

Educational Services

Every child deserves the key to knowledge and with access to education, it is opening doors to a brighter future. Navneet Foundation goes beyond financial aid, championing children by covering school, college, and institution fees. We bolster success through coaching, mentoring and counselling, safeguarding your children against academic dropout and paving their way for a lifelong achievement.

Enhancing Opportunities with Education

In a remarkable stride towards building brighter tomorrows, the Navneet Foundation has generously supported the education of **3,606** children this year. By providing them with this crucial opportunity, we paved the way for knowledge exploration and the attainment of a promising future. Moreover, in Maharashtra and Gujarat, we have further empowered **19,236** underprivileged children with essential educational resources like books and kits, ensuring they possess the necessary tools to thrive.

Development and Maintenance of Facilities for Education

Elevating Education: Navneet Foundation's Impactful Initiatives

Recognising the pivotal role of infrastructure in delivering quality education, Navneet Foundation is committed to enhance facilities that create an optimal learning environment for children. Through school infrastructure maintenance, **2,978 children** have gained access to effective educational spaces. Notably, hostel facilities have been provided to economically disadvantaged students pursuing education away from their hometowns, ensuring they have an uninterrupted educational journey. In Gujarat and Maharashtra, Navneet Foundation has gone an extra mile by establishing knowledge-packed libraries, acting as vibrant "knowledge banks" for children to explore and learn. These interventions have proven immensely beneficial, offering children opportunities for quality education and expansive exposure to knowledge.

By addressing the educational needs of underprivileged children in Gujarat's tribal region, a dedicated school provides holistic support, including education, boarding facilities, and **nutritious meals to over 454 students** in Grades VI to X. This initiative empowers these young learners to pursue their education against all odds.

In rural Gujarat, Navneet Foundation's impactful efforts continue with institution of a girl's college, creating a vital platform for youth to pursue higher education. So far, 57 girls have seized this opportunity by embracing education in a supportive environment crafted by the Navneet Foundation.

A group of female students are gathered in a classroom, many holding certificates. They are arranged in several rows, some standing and some kneeling. The background shows a whiteboard and classroom walls.

PRAMILA:

Being a part of this college that provides high-quality education through the best teachers is a blessing. The trust also focuses on computer education and extracurricular activities, which has a significant impact on my development and career planning.

SHREYA:

As a female student studying at a rural college focused on empowering women, I am incredibly grateful for the high-quality education I am receiving. The college's dedication to providing the best educational qualifications has had a significant impact on my prospects. I couldn't be happier to be a part of such a supportive and empowering community.

This year, Navneet Foundation has facilitated value education workshops for 250 children, emphasising the importance of upgrading skills in every professional's life. Additionally, 1000 journalists participated in enlightening workshops aimed at understanding social concerns and developing a broader perspective on social development. The power of experiential learning was demonstrated through a science exhibition involving 200 children.

In another initiative, Navneet Foundation has supported the development of a science, math, and language lab for **350** children in the slum community of suburban Mumbai. This endeavour has significantly improved their grasp of basic concepts and positively impacted their academic performance. These efforts highlight Navneet Foundation's commitment to empower individuals and transform lives through innovative educational initiatives.

Teachers' Training Programme

“FEEDBACK”

Such leadership training is very much needed to update our knowledge. This platform has helped to meet and interact with other principals and create a network with them.

Dr. Bhavna Joshi, Aranyeshwar Secondary School.

The workshop included group work, followed by presentations, this made it interactive. Scope should be given to share innovative practices in schools.

Lina Talathi, M. S. Golwalkar Guruji Secondary School.

The training was excellent and such guidance was very much useful for the progress of schools.

Satish Jadhav, Adarsh Secondary School.

The workshop provided excellent guidance to improve our future performance. However, the duration should be more.

Madhav Kakade, Late Namdev Bandoji Chavan Vidyalaya, Pune.

The workshop was informative. During vacations long term training can be arranged. Also, principals can form groups for informal chat sessions for sharing new ideas.

Ujjwala Pingle, Bharat English School and Junior College.

Various topics related to the current trends, government guidelines and rules were discussed, besides explaining the roles and responsibilities of a principal.

Dilip Bhosle, Sarojini Devi Mansingrao Jadhav Vidyalaya.

The session was refreshing and helped reflect on essential and desirable skills, qualities and traits of principals.

Sambhaji Mohite, New English School.

Unleashing Innovation: Empowering Educators

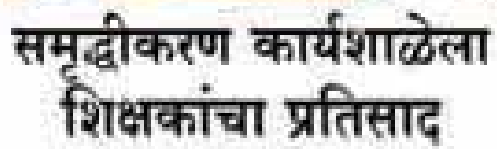

In the year of transformative growth, **25** captivating workshops empowered **3,916** educators with creative teaching techniques in mathematics and languages. These passionate educators now stand poised to ignite curiosity and shape the minds of tomorrow with innovative strategies, forging a limitless path towards knowledge. A captivating workshop was held, aimed at enriching and empowering school principals in their administrative roles. The event served as a beacon of knowledge and guidance, drawing together 36 visionary school leaders who embarked on a transformative journey towards excellence.

Webinar

Webinars, the digital classrooms for inspiration and growth, nurture the hearts and minds of teachers and principals who unleash their untapped potential and forge a vibrant community of empowered educational leaders. In captivating webinars, esteemed figures in education took the spotlight, unveiling the transformative power of the new education policy. With over 500 teachers and 2.7k viewers tuning in via YouTube, this webinar delved into the forthcoming challenges teachers might face. Another engaging webinar, tailored for students of IX and X, delved into the crucial topic of the newly introduced topic subject, "Water Security," captivating an audience of 350 teachers and an additional 330 viewers. Esteemed experts, provided their valuable insights on the topic. Collectively, these webinars are aimed towards educating and informing teachers and students alike on various important subjects.

HEALTHCARE AND MEDICAL SERVICES

Transforming Lives: Navneet Foundation's Commitment to Quality Healthcare

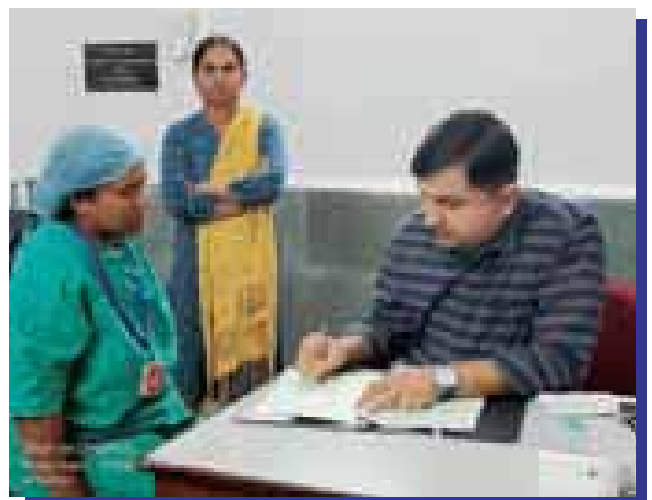

Navneet Foundation firmly believes that quality healthcare is a fundamental right, accessible to all. In Gujarat and Maharashtra, underprivileged individuals are empowered with access to best medical services at affordable rates, bridging the gap in healthcare services.

Throughout the year, efforts were made to alleviate the burden faced by marginalised patients, providing medical aid, and covering treatment expenses.

A remarkable 6,347 underprivileged patients received support for their medical treatments and surgeries, while 30 families were safeguarded with medical insurance coverage during times of crisis. Navneet Foundation's steadfast dedication to healthcare has emerged as a pivotal focus, positively impacting the lives of underprivileged patients and providing essential dialysis treatments to individuals through free dialysis sessions. Additionally underprivileged patients accessed diagnosis and treatment services through the low-cost, high-quality healthcare infrastructure facilitated by Navneet Foundation. In a significant move, a major municipal hospital in Mumbai underwent a transformative makeover, involving the renovation and development of patient and doctor quarters, as well as museum and conference spaces. This upgrade ensured that doctors attending to underprivileged patients could recover in clean, hygienic, and comfortable surroundings after complex surgeries. With improved surgical tables and donated ventilators, the hospital efficiently treated 645 patients. We firmly believe in the impact of enhanced healthcare facilities and state-of-the-art medical equipment in delivering exceptional services. Through the enhancement of hospital infrastructure, including doctor facilities, conference spaces, and patient rooms, we have extended access to quality healthcare to 3,900 patients in Gujarat and Maharashtra.

These improvements have also enabled Navneet Foundation to reach 19,683 underprivileged individuals, ensuring their connection to advanced medical facilities. Moreover, our dedication extends to remote tribal communities, where our trained village volunteers and medical experts have provided essential first-aid services to 5,490 people. In rural Maharashtra, the introduction of a delivery table at a Primary Health Centre has significantly improved maternity services, befitting 180 women in need. In collaboration, we persist in empowering communities by expanding healthcare infrastructure and changing lives.

Additionally, our commitment extends to remote tribal communities, **where 5,490 individuals have received vital first-aid services through our trained village volunteers and medical professionals.** Together, we continue to empower communities by developing healthcare infrastructure and transforming lives.

Reaching out for better accessibility (Transforming Lives through Mega Medical Camps):

Medical camps serve as an invaluable platform, bringing comprehensive healthcare to the underprivileged under one roof. The mega camps have touched the lives of over **2,585** patients, providing essential diagnostic services, medical treatments, and life-changing surgeries.

Beyond immediate medical assistance, these camps foster community awareness about healthcare and the pursuit of a healthy lifestyle. Recognizing the importance of mental health, our intervention extends to the villages, where over 1,000 patients have received diagnosis and treatment for psychiatric conditions. Together, we strive to make a positive impact on the physical and mental well-being of those in need, nurturing healthier and happier lives.

We believe that access to healthcare is a fundamental right, and through this support we strive to uplift individuals facing renal challenges, offering them a ray of hope and renewed vitality.

Recognizing that food is not just sustenance but a vital necessity, we have extended our reach to **3,700** underprivileged individuals, ensuring their basic needs are fulfilled. By providing grocery kits, we aim to alleviate hunger and nourish communities in need, fostering strength and resilience. Additionally, we have extended this support to children in rural Maharashtra, offering nourishing midday meals that serve as a beacon of hope and vitality for their bright futures.

Together, we embrace the power of compassion, healthcare, and nourishment to uplift lives and create a brighter tomorrow for those who need it the most.

In the tribal areas of Uttar Pradesh and Gujarat, a dedicated medical camp brought hope to rural communities facing limited access to ophthalmology services by facilitating over **120 critical eye surgeries**, which have supported and transformed the lives of individuals, providing newfound clarity and restoring their sight. Furthermore, Navneet Foundation's commitment extended to supporting **377 children with food and meals** at a shelter for girls with special needs in Kachchh, Gujarat. Early intervention camps conducted in Kachchh identified the needs of children at an early age, allowing tailored strategies and therapies to enhance their nutritional development. In their unwavering pursuit of holistic well-being, Navneet Foundation's initiatives continue to empower communities, providing a brighter and healthier future for all.

PRIYA

(15 yrs)

A cerebral palsy patient admitted for continuing physiotherapy. She likes the food and variety at breakfast and dinner. So she started eating enough food, and her weight increased in relative comparison to her height. She has learned to eat all types of solid and liquid food.

ROSHNI

(8 yrs)

Her food habits changed, and she started eating all types of solid and liquid food. This resulted in an increase in her weight in the last month and a half.

In the fight against tuberculosis, Navneet Foundation goes beyond medical treatment, recognizing the importance of nourishment. We have provided specially crafted food kits annually to 1200 TB patients across BMC health posts, featuring nutritious ingredients like Nachni flour, jowar flour, bajra flour and more. These kits have shown remarkable results, improving the health and recovery of underprivileged TB patients living in slums of Mumbai. This initiative aligns with the "National Tuberculosis Elimination Programme" (NTEP) and contributes to the fulfillment of Sustainable Development Goals.

Furthermore, Navneet Foundation extends its compassionate support to the visually impaired community, **supplying essential grocery kits to 3,500 individuals**. Together, we strive to make a lasting impact on the health and well-being of underprivileged communities, taking one nourishing step at a time.

VEDANTI

(19 yrs)

She was suffering from TB and was very afraid. But after receiving nutritional kits and sanitiser, she was free from TB. Additionally, she did not have any side effects from the medicines and was also feeling stronger than before.

ANUPRIYA

(15 yrs)

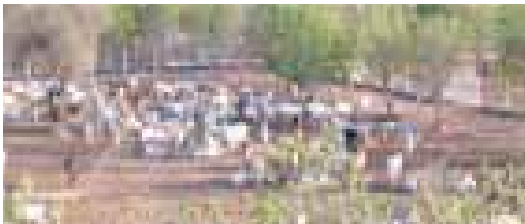

She was taking medicines from a private doctor, but those medicines were wrong, and she had to suffer the side effects of those medicines. Then she started with the government hospital medicines and received nutritional kits and sanitizer that helped her improve her health. The spots on her body had vanished too.

EMBRACING COMPASSION

Navneet Foundation's Heart-warming Initiative for Animal Welfare

In a remarkable stride towards animal welfare, Navneet Foundation has extended its caring touch to **3,195** animals across **254** shelters in Gujarat and Maharashtra. With a commitment to their well-being, we provide vital support, including nourishing fodder, essential medicines, and safe shelter for these magnificent living beings.

Our efforts go beyond mere sustenance as we open our hearts and homes to visually impaired, physically impaired and elderly animals, offering them a sanctuary they can call their own. At these shelters, skilled veterinarians perform surgeries to heal animals afflicted with tumours, remove plastic from the stomach of stray animals, rectify limb deformities, and address a range of ailments, ensuring their health and happiness. With every act of kindness, we contribute to the betterment of our animal friends, fostering a world where compassion reigns and every creature finds solace and care.

COMMUNITY DEVELOPMENT

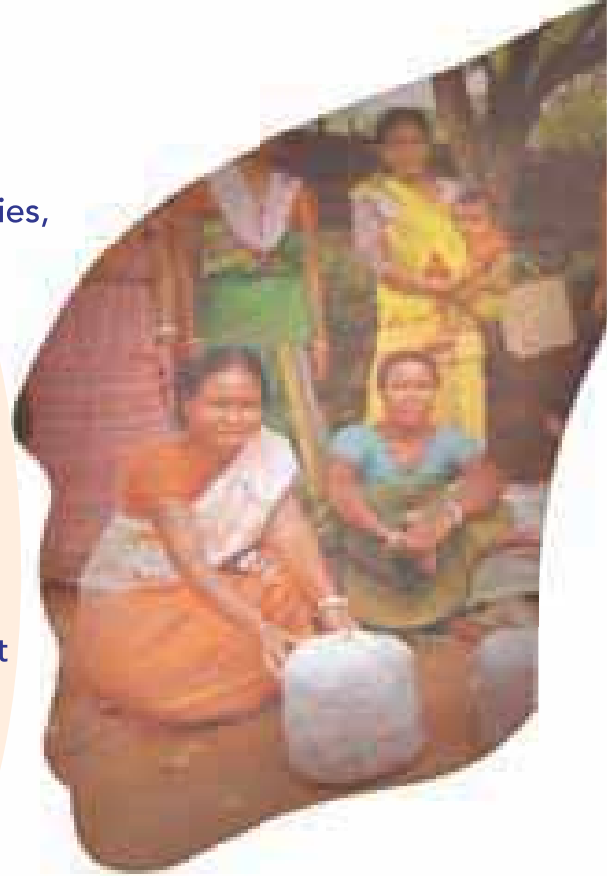

Building Bridges: Navneet Foundation's Empowering Haven for Underprivileged Students

In a feat of transformation, we have supported the creation of a sprawling **37,500 sq. ft.** hostel facility in Mumbai.

This haven embraces underprivileged students from distant districts and states, offering them more than just a roof over their heads. Within these walls, they find a nurturing environment complete with comfortable accommodations, delectable meals and dedicated study rooms, empowering them to thrive academically. But it doesn't stop there. This remarkable establishment goes beyond education, serving as a vibrant community hub. A captivating community hall stands tall, fostering a vibrant platform for the promotion of art and culture among local residents.

To date, this dynamic space has welcomed and uplifted **4,272** community members, enriching lives with shared experiences.

Throughout the year, the foundation extended its support to self-help groups engaged in income generation and infrastructure development initiatives. By embracing activities such as mushroom farming and agarbatti making, these programmes empowered **2,500** families, leading to remarkable transformations in their lives. Emphasising self-dependence and empowerment, the company's engagement with self-help groups and microcredit initiatives have positively impacted over **10,000** individuals, elevating their socio-economic circumstances. Another **12,200** Mahila Mandals, comprising an impressive count of **131,700** resilient women, have witnessed a remarkable improvement in their socio-economic standing, marking a profound transformation in their lives through income generation programmes.

Throughout the year, spirited encounters with 900 Yuvati Baithaks (gatherings of young women) set the stage for captivating discussions, aimed at raising awareness about the harmful effects of alcohol and substance abuse. These engaging sessions adeptly instilled the value of education in the minds of our aspiring young girls, empowering them with impressive problem-solving skills.

A comprehensive training programme on organic farming and innovative agricultural techniques was enthusiastically embraced by 230 farmers, augmenting their knowledge and expertise in farming pursuits. Embarking on an empowering journey, we bestowed sewing machines upon seven women, opening up new avenues for their income generation. Additionally, 25 underprivileged women received home appliances to enhance their daily lives, easing their everyday tasks and helping them generate income from home.

Recognising the pressing need for legal assistance within underprivileged communities, we supported 100 legal professionals in honing their skills through dynamic workshops and training sessions, equipping them with formidable skill-sets.

Demonstrating our compassion, a dedicated ambulance service was provided to the community, effectively addressing 300 medical emergencies, and bridging the gap in essential healthcare services. In the remote villages of Virar taluka, families previously deprived of electricity due to limited income sources were provided with solar lights, illuminating their homes, and bringing hope amidst the darkness.

ENVIRONMENTAL DEVELOPMENT

Revitalising Water Resources and Promoting Environmental Care

Kachchh, Gujarat, is a water-deficient region. Initiatives were undertaken to revive water bodies in a village in Mandvi. The villages in this region have been frequently affected by droughts and heavily rely on groundwater resources for agriculture and domestic use. In this village, irrigation and groundwater recharge efforts were implemented, benefiting 161 families and over **1,000** individuals. The groundwater capacity has witnessed a remarkable increase of 17 percent. The rejuvenation work of 21 structures in these villages, including on Rukmavati river, has boosted the cumulative water capacity by 14 percent. Significant improvements have been observed in water quality, with a TDS difference of -421. Desilting activities have aided 483 farmer families, leading to enhanced farm yields and improved accessibility to resources for approximately **3,000** individuals.

To promote environmental care, tree plantation drives were organised in villages where community members planted more than **153** trees. Engaging children in environmental stewardship, **250** young individuals were provided with plant saplings, fostering their involvement in nurturing green resources within their communities.

SPORTS

From Boundaries to Glory: Unleashing Cricket's Rising Stars and Other Sporting Heroes

More than 410 aspiring young cricketers, including 217 talented girls, have undergone comprehensive training, igniting their passion for the sport. These enthusiastic youth have fearlessly taken on 78 challenging matches, showcasing their skills across states and their hometowns, emerging victorious in an impressive 37 encounters. Notable triumphs abound as two exceptional girls secured spots in the prestigious under-15 team, while another accomplished player earned a well-deserved place in the under-19 squad, proudly representing the esteemed Mumbai Cricket Association. Additionally, five talented girls achieved remarkable success in cricket scoring exams, while two demonstrated their expertise by clearing the umpiring examination conducted by the Mumbai Cricket Association. Fostering a spirit of camaraderie and competitive spirit, the Navneet Cricket Cup, a highly anticipated annual event, united **1,924** enthusiastic players from diverse backgrounds, including passionate men, women, and revered senior citizens, across both rural and urban settings.

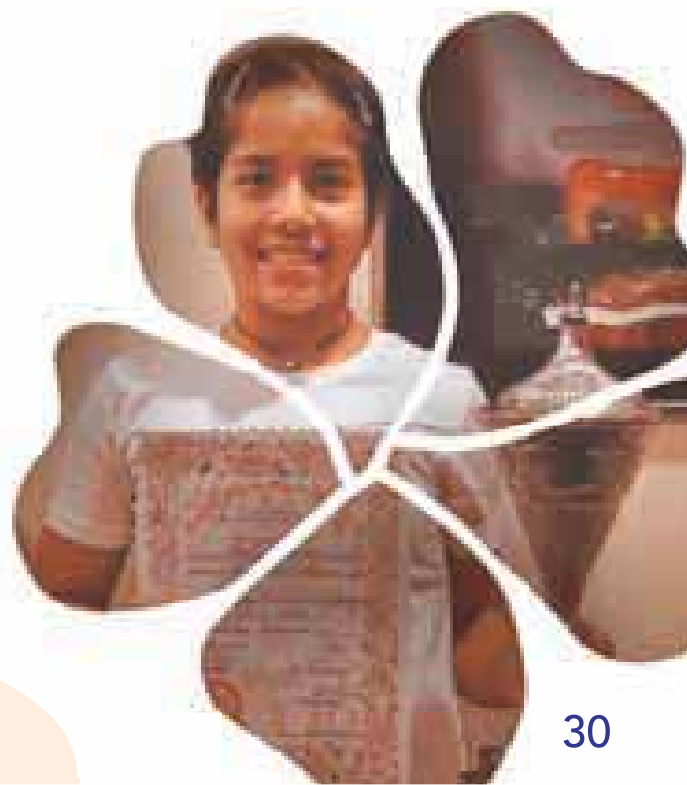

Amidst these inspiring accomplishments, let us celebrate the extraordinary journey of 13-year-old Naishaa Bhatoye, **Badminton Player** who defied all odds and became the sole player to represent Maharashtra in all three age groups: under-15, under-17, and under-19. Overcoming the challenges posed by the pandemic, Naishaa's unwavering determination and perseverance have propelled her towards unmatched success in her game.

Furthermore, Diya Chitale, the under-17 **Tennis Champion**, is backed for her professional coaching and training. Her training has paid off as she won a bronze medal in the U19 Singles WTT Youth Star Contender in Slovenia and a gold medal in the U19 Singles WTT Youth Star Contender in Lima. Her current focus is on the Paris 2024 Olympic Games, which serves as a crucial milestone towards her success in the sport.

While Aum Gujarati, an accomplished international **Skating Champion**, continues to thrive with continuous backing in her training and participation in international tournaments.

Lastly, Hardik Sane, an indomitable Adventurer, receives support for his awe-inspiring **expedition to Mount Everest**. These remarkable tales of ambition, triumph and unwavering support embody our commitment to nurturing sporting talent and fostering a culture of achievement.

ART AND CULTURE

Reviving Cultural Roots: Empowering Kachchhi Folk Artists and Celebrating Tradition

Amidst the global surge in appreciation for Indian art and culture, the relentless wave of Western influence threatens to overshadow indigenous traditions. In response, dedicated efforts are underway to safeguard the vibrant Kachchhi folk music and its rich cultural heritage, not only providing financial and social support to music artists, but also reigniting pride in their traditional art forms.

Following a prolonged absence due to a devastating earthquake, the revered gathering known as Reyan triumphantly returned to the region. Throughout the year, 48 talented artists and musicians mesmerized audiences with captivating performances of Kachchhi folk music. This soul-stirring repertoire included enchanting Kaafi (Sufi music), evocative folk songs, devotional bhajans and the timeless melodies of traditional instruments like Jodiya, Pava, and Morchang.

The resounding success of these events witnessed the enthusiastic participation of over 1,000 individuals, fostering a deeper connection to their cultural heritage and nurturing a renewed appreciation for their musical traditions.

Moreover, in a momentous move to preserve this musical legacy, the establishment of Riyaaz Shala, a folk music school in Khari village, has created an invaluable platform for the younger generation to learn, cherish, and immerse themselves in the profound artistry of Kachchhi folk music and cultural expressions. This year, 21 passionate individuals have eagerly enrolled, ensuring the timeless wisdom and artistry of their heritage are passed down to future generations. Recognizing the importance of holistic development, a special Raksha Bandhan function was thoughtfully arranged for 250 visually impaired girls, nurturing their overall growth and well-being. Furthermore, cultural activities have become a binding force, uniting 150 spirited youth, and fostering stronger community ties while celebrating the vibrant tapestry of their cultural heritage.
